

The **auxano** group

RECARO

Since 2005, the **RECARO Maritime Northsea** has been available as a suspension seat and probably the most comfortable HSC 2000 coded seat available on the market today. It's solid construction offers a service life expectancy of over 15 years. Covers which wear over time are easily replaced on board making this seat popular with fleet owners and voluntary SAR organizations.

Northsea

RECARO Maritime Northsea

For your comfort and safety, the Northsea offers the following features:

- Seat back angle adjustment.
- Seat extension cushion for taller crew.
- Armrest with angle adjustment + flip-up.
- Armrest covers to match seat cover.
- Pneumatic lumbar support cushion (Standard on leather models)
- 2-point aircraft belt (option)
- **HSC2000 Code Certificate with 4 point belt**
- RECARO suspension unit rated @ 6g (SAR) 12 or 24V built in compressor, twin damper + safety valve. Robust chassis construction for service-life of 15+ years.

....feel the difference.

DESIGNED FOR PROFESSIONALS
